

Viral Marketing Services

It is your advertising & marketing team's job to keep you at the forefront of technology so that you are implementing the latest in advertising & marketing campaigns long before your competitors can get a foot-hold. We want to be a valuable part of that team, and we will make it our goal to ensure that your business is benefiting from the latest in internet-based viral marketing. **Quietly Working's**

Viral Marketing Services are designed to provide you with an online presence on social networking sites, helping to drive traffic to your web site. We'll help you create a buzz surrounding your products and services, and get potential customers to your web site so that all you need to do is close the sale.

Ask yourself: Do we currently have someone representing us on industry-standard blogs and forums? Are we currently using the power of viral marketing through social networking sites like YouTube, MySpace and Facebook? If your answer is no, your enterprise is missing out on a great way to connect online with potential customers.

Research shows that the average internet user is now viewing 2.5 hours worth of video content posted on social and sharing network sites each month, with the average technophile viewing as much as 8 hours worth of content each day.

Quietly Working's Viral Marketing Services provide extreme value for a small monthly investment. You get an unmistakable online presence on your industry's blogs and on the most popular social networking sites. It is time for you to take advantage of the growing interest in viral video and online networking sites. Quietly Working's Viral Marketing Services can help you do just that.

For just \$500 per month, you get 25 hours dedicated to:

- **Blog & Forum Representation** – Approximately 10 personalities representing your demographic on key industry blogs and forums.
- **Article Submission** – Your current copy, white papers and case studies submitted on key industry blogs as articles and other postings.
- **Community Site / Social Media / Viral Media Representation** – Creation of profiles on a select group of these types of web sites and the posting and monitoring of your written and video online content.

We also offer a \$1000 per month package that gets you 50 hours dedicated to the above services.

We are happy to step in and assist you in the creation of your written and video online content at a reduced production rate of \$50 per hour.

If you are ready to take the next step in using viral marketing to drive traffic to your site, please call us today.
